

Tired of doing sweatshirts? Looking for something a little bit more trendy to try your hand at? How would you like to make a garment that didn't feel bulletproof when you were finished with it? We offer solutions to all of these and more with Designer Roses II. Learn what techniques top industry designers are using on their garments, (plus a few of our own), to create stunning garments that look like you paid a fortune. You will learn to work with jackets, pants, layout techniques, customizing, and much more. This collection includes floral motifs, running stitch designs, gorgeous crests, flour de lis and some of the most comprehensive tutorials we have ever done. We are confident that you will learn something new with Designer Roses II.
