A Get the Right Tension Every Time

Achieve accurate tension control with the convenient **thread tension dial**.

B Cut Threads and Reset

When you touch the **Automatic Thread Cutter** button, both top and bottom threads are instantly reset for the next sewing operation.

C Stitch Pucker-Free on Any Fabric

Sew a wide variety of fabrics with precision. Pin drops automatically when the presser foot is lifted.

D Feed Fabrics Evenly

The unique fabric separator feature helps join two different fabric weights (such as lightweight lining to velvet) without puckering.

**Extra-Large Extension Table**

Oversized extension table with easy access to the vertical bobbin accommodates quilts and other large projects.
