

QC-1000

Designed Specifically With Quilters In Mind

The **Innov-is QC1000** offers a wide variety of special features crafted especially for the avid quilter. Even the opening screen on the LCD welcomes quilters with animated quilt graphics!

FEATURE SPOTLIGHT

Pivoting Function

- ✿ Raise the presser foot slightly while needle is still in fabric for easy and accurate rotation of fabric
- ✿ Great for turning perfect corners

Drop Feed

Just touch a button on the LCD screen to drop the feed dogs for free motion quilting which automatically engages the thread regulation system.

Create With Speed

Complete projects faster when you can sew at speeds up to **1000 stitches per minute**.

Deluxe Quilting Package Included*

Includes Rolling Travel Bag & Quilting Supplies

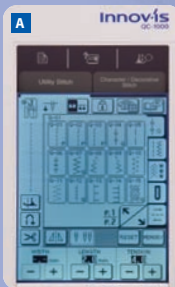

*QC1000 offer available at participating dealer locations.

Perfect Stitch Quality

- **ICAPS** – Innov-is Continuous Automatic Pressure Sensor continuously detects fabric thickness and automatically adjusts the presser foot pressure to ensure precise, smooth and even stitching over a variety of fabric thicknesses. Perfect for stitching quilts with varying fabric types, appliqués or embellishments.

Includes three new free-motion presser feet:

“c” foot
for greater visibility

“o” foot
for more control

“e” see-through foot
for perfect echo quilting

A Do It All On The LCD

Use the LCD touch-screen to:

- Choose from 30 popular quilting stitches in a specially selected quilting category.
- Customize and save stitch settings for stitch length, size and density.
- Combine multiple decorative stitches and save to memory.
- View on-screen how-tos and tutorials.

B Handle Large Sewing Projects Easily

Use the **Extra-wide table** to easily handle large projects like quilts and wall hangings.

C Single USB Port

Utilize the USB port to import and export designs, save self-designed patterns and update machine software.

Additional Features

- Super bright LED lights for increased visibility
- Push button presser foot lifter
- 127 built-in stitches
- My Custom Stitch™ feature
- Free arm sewing capability
- Independent bobbin winding system
- Advanced needle threading
